FOOD FOR THOUGHT

Demanding prior work experience from new graduates is unfair and short-sighted

Writing off graduates on the basis of a lack of work experience is a misunderstanding of what universities do and what the academic environment ingrains in students.

"The government is determined forcefully to confront the scourge of unemployment, not by way of handouts but by the creation of work opportunities." This was said in a State of the Nation Address (Sona) – but not the 2023 Sona..... [Read More](#)
