**Beyond Energy Racism: addressing the big elephant in the room**

*UJ Master's student, Kabelo Motswagae, has written this op-ed piece that gives a reflection on Energy Racism and Loadshedding.*

"Everyone is having problems with electricity; everyone has experienced loadshedding. But people who live in Soweto and other working-class townships, have bigger problems with electricity," according to the energy racism report published by the Centre for Sociological Research and Practice (CSR) at the University of Johannesburg (UJ).....
